**Every Supporter Counts!** Microsoft and Scholastic team up to make raising funds for your school *free and easy*. The best way to earn the most money possible for your school is to get your whole community involved with **Search and Give™**. Teachers, parents, friends—everyone can help. More people using [www.searchandgive.com](http://www.searchandgive.com) mean more searches; more searches means more rewards for your students and their classrooms. The more active supporters your school has, the more rewards your school receives.

The key to success with **Search & Give** lies in the number of active supporters your school has. Take a look at the chart below to see how the number of supporters who participate can determine how much your school can earn. As you can see, the more supporters your school signs up, the more money your school will receive!

Number of supporters	Number of tickets earned per day*	Total number of tickets per year	Cash your school can earn per year**
25	250	91,250	\$912.50
50	500	182,500	\$1,825.00
100	1,000	365,000	\$3,650.00
500	5,000	1,825,000	\$18,250.00

\* Each supporter can earn a maximum of 10 tickets per day for searches on [www.searchandgive.com](http://www.searchandgive.com), and each ticket from those searches will result in a one-penny donation by Microsoft.
